Container Terminals

Brisbane – Fisherman Islands
Sydney – Port Botany
Melbourne – East Swanson Dock
Fremantle – North Quay

All early and late receival containers will be subject to an **early/late receival fee of AUD 299.50 per container plus GST**.

This fee will apply to each **export laden container** received outside of the normal export receival period regardless of application time. The normal export receival period is for up to five (5) working days prior to vessel fixed day schedule arrival.

Please adhere to the below protocol when requesting an early or late receival.

Late Receivals

All late receival applications are to be submitted to the National Operations Centre and Vessel Operator for approval. Only applications submitted on the Patrick late receival spreadsheet will be considered for approval. All late receivals are to be submitted to lrec@patrick.com.au. Containers are to be PRA'd and the late receival form is to be completed in its entirety upon application. Applications will only be processed during normal business hours 0800 to 1600 AEST, Monday to Friday. Please note no hazardous late receivals will be considered at East Swanson Dock or Port Botany Terminals.

Late receivals that are cancelled, or which do not eventuate will attract the late receival fee.

All late receivals are to be applied for in a timely manner as no containers will be received after vessel arrival at berth.

Although the terminal will make every effort to accommodate the receival of containers at the requested delivery time, in circumstances where they cannot, time slots will be issued at the terminal's discretion, prior to vessel arrival.

Early Receivals

Early receivals may be accommodated by prior agreement with the National Operations Centre. All applications are to be submitted to lrec@patrick.com.au on the Patrick early/late receival form.

Early receivals will also attract export storage charges in excess of seven (7) days.

All early/late receivals are subject to the applicable Patrick Standard Terms & Conditions which may be viewed online at the Patrick website at www.patrick.com.au. Patrick's Standard Terms & Conditions limit Patrick's liability in certain circumstances and include indemnities which benefit Patrick.
