Terminal Ancillary Charges – effective 01 July 2019

Please be advised revised Terminal Ancillary Charges will apply from Monday 01 July 2019 (or as noted). Please refer to www.patrick.com.au for full details of rates.

Patrick continues to face increases in costs for the provision of its terminal services. These rates have not been reviewed since July 2018. As part of our annual review process, rates have been reassessed to reflect movements in costs that Patrick has incurred, including labour and energy costs. Patrick continues to absorb significant costs in relation to the provision of its terminal services.

The following rate schedules to apply from Monday 1 July 2019 are contained at www.patrick.com.au and include updated charges relating to:

1. DAWR Biosecurity Inspection Tariffs
2. Storage and Yard Ancillary Charges (effective in Sydney only from Monday 08 July 2019)
3. Dangerous Goods Charges
4. Early/Late Receival Protocol and Rates
5. Maritime Security Levy
6. VBS Fees (effective in Sydney only from Monday 08 July 2019)
7. VGM Amendment Declaration
8. Port Botany Weighbridge Fee
9. Brisbane Mooring Fees

Yours sincerely

Ashley Dinning
Chief Commercial Officer
