Container Terminal Ancillary Charges – effective 02 July 2018

Please refer to www.patrick.com.au which contains Container Terminal Ancillary Charges which will apply from 2 July 2018.

Patrick continues to face increase in cost in the provision of its terminal services. These rates have not been reviewed since July 2017. As part of our annual review process, rates have been reassessed to reflect movements in costs that Patrick has incurred, including labour and energy costs. Patrick continues to absorb significant costs in relation to the provision of its terminal services.

The following rate schedules to apply from 2 July 2018 are contained at www.patrick.com.au and include updated charges relating to:

1. DAWR Biosecurity Inspection Tariffs
2. Import Storage
3. Dangerous Goods Charges
4. Early/Late Receival Protocol and Rates
5. Maritime Security Levy
6. VBS Fees, including fees for Stack Runs
7. VGM amendment declaration
8. Port Botany Weighbridge Fee
9. Brisbane Mooring Fees

Yours sincerely
